## A Historic Election Season

October was all about GOTV. RWB members worked with OCGOP to target and support every town in Ocean County. Beyond traditional campaigning, we demonstrated the heart of our organization by joining Making Strides Against Breast Cancer. Republicans care deeply about our communities.

We secured endorsements and support checks from NJFRW for our Members and Associates and wrote checks to many candidates.

## Election Results

Ocean County did what it had to! We had a strong turnout and showed solid support for our endorsed Republican candidates. We are proud to celebrate their victories. Justin Murphy was not able to unseat Senator Cory Booker, but we are proud of his valiant, solid grassroots campaign. Ocean County showed up for Justin, and we are ready to see what his next move is. Congratulations to those elected, and thanks to all who worked so tirelessly!
